

NINDERRY

3  1  2 

Positioned at the end of a private driveway is this tidy brick home. With modern well-appointed kitchen with stainless appliances and thoughtful open plan living overlooking beautifully landscaped gardens to the saltwater in-ground pool.

Surrounded by almost two acres of usable land, this is the perfect place to unwind, whether lazing around the pool or taking a leisurely stroll along some of the walking tracks.

With plenty of storage and shed space, potential studio, teenagers retreat, dam with pump, creek and much more.

With all of the hard work done by the current owners, just enjoy.

"Sustainability Declaration is available from our office on
