

BLI BLI

3  1  1 

Positioned on the high side of the road in a lush green belt in ever-popular Bli Bli, this home is sure to please.

There are three good sized bedrooms, two with robes, open plan living with formal lounge and adjoining dining area with functional kitchen and plenty of bench space, solar hot water and reverse cycle air-conditioning.

A multi purpose room adjacent to the living room is currently used as a study/office area, plus there is an additional storage room.

There is a pleasant outlook from all windows with established gardens and an array of visiting birdlife. The rear yard is very usable with lawn area, fruit trees and plenty of room for the veggie garden.

Price : \$ 349,000
