

KUREELPA

3  2  2 

Here is the ideal family retreat: a spacious modern home on a few acres with a big swimming pool, and only minutes from all services and cafes. The nicely groomed land undulates gently from the home in an easterly direction towards the creek at the end. A safe place to bring up the kids, raise a few animals, and to welcome guests. The home features separate living areas both formal and informal large enough for a pool table and a country-sized recently renovated kitchen.
