

KUREELPA

4  2  2 

A peaceful ambience pervades this lovely property, hidden away minutes from town and cafes. There is a Balinese influence in the grand formal lounge, which overlooks the green paddocks beyond. Little secret nooks: the separate studio and gazebo provide even more privacy. The patio is bathed in morning sun, a new kitchen, bathroom and floor coverings convey the sense of modern elegance. Stables and paddocks makes this an ideal horse property.
