

KUREELPA

3  2  4 

A tree-change should mean relaxation, not yet more work, and here's an easy-care immaculately preserved property that fits the bill. The spacious brick home overlooks extensive gardens designed for low maintenance; the home itself centred on the wood heater and the farm-sized kitchen. Additional living or hobby areas means a possible granny-flat conversion.

Land Size : 5000 sqm
