This solid brick home set on a near level 1,795m2 allotment. Adjoining large acreage features five bedrooms with the spacious main bedroom with a dressing room, large ensuite and a balcony. The kitchen-dining is very generous and would easily cope with multiple cooks and opens to a covered entertainment area. Along with the two car accommodation there is an excellent workshop/man cave area.

The land is fully fenced with plenty of scope for a second dwelling, a shed of any size and is lined with mango trees on the Western boundary. Located only 5 mins to Palmwoods school, township and train station. This home has plenty of appeal for the acreage buyer without the moving. There is even solar power as well.
