3  1  3 

Located on a quiet cul-de-sac in central Mapleton, this family home sits on a level over-size block. The 4 bay shed has doors high and wide enough to allow caravan access. The rear deck is the "go-to" area for quiet relaxation. Gardens are well-maintained, extensively planted and low maintenance. Interior is neat and homely. Rainwater tanks and solar power mean a small environmental impact.
