Brick, hardwood frame and timber flooring are just a few of the signs that this home was built to stand the test of time. The size of the rooms indicates that it was also built for comfort too. The oversized bedrooms, large lounge with separate dining, kitchen with its own dining space all give it a luxurious feel. With a short walk to town, an easy drive to the highway and a low maintenance yard you are going to appreciate the simplicity. Contact Keyline Realty now to arrange an inspection.
