4  2  3 

Situated in a quiet cul de sac on a mostly flat 829 m2 block, this quality built four bedroom home is delightful with its 2.7 metre high ceilings and tastefully selected fittings. The large open plan living areas flow from the attractive galley kitchen at one end, on to the patio and big back yard at the other. The main bedroom sits at the north eastern end of the house and has an ensuite and walk-in robe.

If you have a caravan, you'll have an easy access covered park in which to store it and a house that's simple to lock up and go when you are ready to travel.

This is such a great spot, it's just a few minutes walk into Palmwoods where you'll find a great choice of cafes, bars and shops. There's also a bus that will take you all over the coast and a train station for the Brisbane commute.
