Private Pole Home on Panorama

Come home to your very own retreat amongst the trees. Only two kilometres from the centre of Nambour, perched high on Panorama Drive, this home is unlike any other, with a verandah that looks out over lush green forest.

Featuring a loft for the main bedroom, plus two other bedrooms and a bathroom tucked in behind the living areas and kitchen. This is a traditional pole home constructed predominately out of hardwood, western red cedar and cypress.

If you are looking for something with character, you won't want to miss this unique home, it could be exactly what you're looking for.
