This well cared for property is tucked in near the back of a good old-fashioned sized block and its established gardens and trees add to the sense of peace and privacy. The home is of solid brick construction and has generous proportions.

Downstairs is the open plan living area; kitchen, dining and lounge - and there is internal access from the large double garage space. Upstairs, you will find four bedrooms, the 2-way bathroom and a second lounge area.

Move in as is, but there is plenty of opportunity to value-add and modernise this lovely home. If you need somewhere to park the caravan or RV, there's space for those as well.
