If you're looking for a spacious luxurious townhouse, this could be the one.

There's plenty of living space and the three bedrooms are huge. The kitchen is well appointed with loads of storage. The main bedroom has an ensuite and both bathrooms are in good condition. There is a third toilet downstairs.

It's rare to have so much outdoor space in a townhouse. The deck on the second level is big enough to host the largest of gatherings and you'll love the patio off the living room. The double garage is the icing on the cake.

In a pet-friendly complex, subject to body corporate approval, this terrific property would suit the savvy buyer wanting a home in a great convenient location.
