Those looking for a home with loads of charm will find it here. This classic Queenslander is well over 100 years old and is one of Nambour's historic homes.

With many of the hallmarks of a high-end home of the era: huge living area, soaring ceilings, picture rails wide floorboards, stained glass windows, timber arches, VJ walls, large bedrooms, french doors - even a built-in crystal cabinet.

Sitting on an 802m2 block - there's loads of room for a shed, granny flat or caravan in the backyard.

This home needs to be inspected to get the full experience.

Open for inspection this weekend.
