Come take a look and imagine yourself in this 4-bedroom home, on a corner block, in a sought-after location. Opposite a council reserve in a very quiet street, you won't be disappointed!

Every part of this property has been well designed and the outdoor space has been utilised to its full potential, and it's only 13 years young. Spend your weekends relaxing by the pool, so well positioned, you can watch on from inside or where you're sitting on the patio with a cold beverage. The outdoors will beckon you in summer.

Walking inside from the covered patio entry, you first notice the high ceilings then continuing into the lounge room you start imagining how you'll configure your own furniture in this huge space.
