The owners of this sweet home have substantially renovated and extended with a focus on quality and beauty, whilst working towards a degree of self sufficiency.

North facing and sitting on an elevated 703m² block with glorious hinterland views, the position is enviable. Convenient street parking on a wide street, complimented by generous verges, adds to the single carport accommodation.

Inside you are met with polished timber floors and open plan living that overlooks nature at every turn. With 2 generous bedrooms, both with built in robes and a light filled sleepout currently used as an office, the home has surprising little nooks. Oh and don't forget the fireplace, perfectly positioned central to the living rooms.
